THE 10th APRIL IS THE LAST DAY TO RECEIVE THE ENTRY FORMS FOR THE ITALIAN ROUND OF THE WRC

For what concerning the Trofeo Rally Terra, linked to the WRC round, the last date has been postponed to the 30th April. Last days for the media accreditation requests too.

Olbia, 7th April 2008 – the Date is forthcoming; the last formal acts before the mid May Event are taking part. After the 10th April, dead line to send the entry requests in order to take part to the Italian Round of the WRC, the most operative phase of the organization will start. Many entry requests have been already received, in addition to those ones of the “Big”, but there is still enough time for anyone who should be interested in taking part to the event to send their own form. For what concerning with the Trofeo Rally Terra, strictly connected to the WRC, it will be possible to send the entry request till the end of April, after the Rally dell’ Adriatico – the last round before May. This is the reason why a postponement to the last useful date in order to receive the entry form request, has been successfully requested to the CSAI.

These are the last useful days for sending the **media accreditation** form too. Who is interested in media accreditation may find all the indications on our web site <http://www.rallyitaliasardegna.com>. May is coming soon: the 17th April both Road Book and Rally Guide 2 will be on line. The RG2 is a complete document that gives all the most important information concerning with the race. Here below the most important moments approaching the Rally event:
