

**Third Day (signposted in yellow) SS 13 – 15 – Monte Olia**

First Pilot: 08h10-11h36

KM:19,28

Road closing times: from 0510 until 15h00 of the 18th May

**Zone U at 19.19 km from the start.**

**Access Road:**

1. From Olbia follow the State Road SS199 in the direction of Sassari until the turning for Monti,
2. Turn to Monti and continue along the Provincial Road SP147,
3. Going across Monti and at the exit in Via Roma, turn left along the State Road SS389 in the direction Alà dei Sardi and continue for about 11.5km.

**Note:**

Good opportunities for parking along the State Road 389. Pass through the gate, on foot, of the Forestry range of Monte Olia and do not follow the trail of the Stage but walk on the road on the right hand side which will be closed by a white and red barrier. In this way you will reach quickly at the out buildings of the Forestry Commission, from here you will have a good vision of the turnings on the right and another left hand turn which is about 50m after. All of these are between the army barracks of Monte Olia.

Continuing on in the opposite direction of the Stage you will reach the final part of the trial, which is characterized by a fast downward slope where the visibility and the space for the spectators will be limited.

**Note:**

Do not stay along the State Road SS389 after the gate of the Forestry Range of Monte Olia as not to hinder the way of the racing cars which will be in movement towards the next trail, doing this will cause the cancellation of the actual stage.

Do not try also try to reach the starting point of the trial because of the limited access of the actual road itself, this will be reserved only for the racing cars and so will be closet to traffic from 0510h until 1500. Please avoid leaving your cars parked in these roads as they will be in the way and will cause a possibile cancellation of the stage.
