The Automobile Club d'Italia, Organizer of the Rally D'Italia Sardegna 2008, is going to welcome all the International Motoring's members of the world which are present at the Rally d'Italia Sardegna 2008. As for the other motoring sporting event, world wide famous – the F1 Italian Round in Monza – the role of ACI is to promote and support the sporting aspect of motoring world.

As President of the Automobile Club d'Italia and as great motorsport fan and ex rally driver, it is an honour to organize and to host in Italy such important events.

For ACI, the Rally d'Italia Sardegna is a good occasion to promote tourism and the discovery of the Sardinian territory.
