INTERVIEW 1° REGROUPING – SUNDAY

LOEB – During the first Special Stage it was difficult to keep the rhythm and there was much gravel. The second grip was characterised by a better grip and faster, the feeling was better too and I did the scratch. We are pushing very hard, it is not easy.

LATVALA – I am not satisfied about my race it is not easy to start in second position. This is reason why I think Mikko is advantaged because he starts as third. The most difficult thing is to find the correct point to brake.

HIRVONEN – During the second stage I have hit the rear and I have decided not to push. I did the scratch during the first SS. We have no indication from the Team, let's see what's going to happen.

SORDO – The second SS was really humid there was an area in the second part of the SS characterised by a lot of mud. We are fighting with Galli for the fourth position.

P. SOLBERG – No comment (clearly upset).

ATKINSON – No comment (he wants to avoid any contact with the media).

GALLI – Everything is ok, I'm trying to keep Sordo under control in order not to lose the fourth position. My rhythm stay high.

H. SOLBERG – Everything ok, I'm enjoying I can't do better.

GARDEMEISTER – I have gear problem, very difficult to cross the ford.

PG ANDERSSON – The feeling is good everything works perfectly now we have to work on speed.

AAVA – Something wrong I'm not able to find the right rhythm.

WILSON – No problem, I have hit a stone during the second SS but no damages.

VILLAGRA – The second stage was incredible, beautiful and very demanding. Much water in the ford.
