Subject : STEWARDS DECISION NO : 5

Document No: 2.8

From *The stewards of the meeting*

To *The entrant of car No. 109 BREEN CRAIG
Crew BREEN CRAIG / GARETH ROBERTS*

The stewards received through the clerk of the course two reports from two marshals and one report from the FIA WRC Academy Technical Delegate following which it appeared that car No. 109, entrant and driver BREEN CRAIG, co-driver GARETH ROBERTS, had reached TC 14 A not on four wheels and tyres, which is in contradiction with Article 20.1.5 of the 2011 FIA WRC Sporting Regulations.

The stewards then summoned the crew of car No. 109 to them.

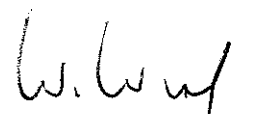

The competitor explained that they had lost the left rear wheel in the last special stage. They had replaced a wheel on the broken axle by strapping, thus the wheel was not rotating. They had then continued on the following road section stopping one time to change wheel and tyre when the tyre burst

After due deliberation the stewards

DECIDE

To inflict a **12 minute time penalty** on Competitor No. 109 as even though it appeared that the car was always on four wheels and tyres or part of tyres, the left rear wheel was blocked for some time, which is not safe to drive on public roads.

The Entrant is reminded of his right of appeal
